Approved For Release 2002/05/07 : CIA-RDP84-00499R000800070005-7

Office Memorandum • UNITED STATES GOVERNMENT

TO : ADSO

FROM : Chief, Communications Division

SUBJECT: Establishment of Base Radio Station []

DATE: 8 January 1951

25X1A

1. Attached hereto is the recommendation of the Joint OSO/OPC Communications Board with supporting documentary evidence relating to the establishment of a Class A base radio station at the []

25X1A

2. The members of the OSO/OPC Communications Board are of the opinion that authority to relocate the major radio base station [] is inherent in the DCI's approval of the Overseas Communications Plan dated 25 April 1950.

3. Approval of the Supplemental Budget insures that funds will be available to cover the total cost of the establishment of a major base station [] as set forth in the Overseas Communications Plan. In addition, there are currently at hand funds in sufficient quantity to permit work on this project to be initiated at once.

[] This has been broken down into the following categories:

Equipment
Building
Hardware, test instruments,
cables and technical construction
material

Total
